## What's Up for the Summer?...

Well, the semester here at UH is coming to a close, and summer is on the horizon! Ed and I will be leading in our first **Summer Missions Project with Campus Crusade for Christ** located right here at UH Manoa! From June 20<sup>th</sup> through July 20<sup>th</sup> we, along with 32 students and several staff from California and Hawaii, will be serving on the campuses and in the communities together and sharing the love of Jesus with the lost! This is a unique project through Epic Ministries (a branch of Campus Crusade for Christ that focuses specifically on reaching lost Asian American students).

During the week, we will be opening new ministries on multiple campuses that currently do not have a campus outreach through training students in sharing their faith and discipleship. We also will be partnering with local churches to serve in the communities on a weekly basis. Lastly, we as staff will be focused on developing as well as imparting leadership skills to students that they can take back to their campuses in the fall!

In order for Ed and me to lead students during this Summer Missions Project **we must raise an additional \$4,010**. This covers both of our flights to and from California for a Project Briefing, our campus Meal Plans, transportation, as well as materials. **Would you please consider sending us a one-time gift of \$50, \$100, \$200, \$300 or any other amount by June 20th?** Checks are made payable to *Campus Crusade for Christ* and can be sent to our home address: **1134 Kinau St. Apt# 705 Honolulu, HI 96814**.

Thank you so much for prayerfully and sacrificially giving towards God's work here on the islands! We wouldn't be able to do this if it weren't for you! The college campuses are so ripe here in Hawaii, and we greatly anticipate seeing more students fall in love with Jesus as a result of this summer!

## Our Mission:
